*Clinical Policy Manager*

*National Health Care for the Homeless Council*

Katie League is the Clinical Policy Manager at the National Health Care for the Homeless Council and is a licensed clinical social worker. She is a member of the Council's Policy Team. She has authored the COVID-19 Flash Blast newsletter as well as numerous Issue Briefs. These Briefs discuss the impact of COVID-19 on the Health Care for the Homeless (HCH) community. Prior to joining the Council, Katie worked for more than a decade in homeless services in Baltimore, Maryland. She spent nine years at the HCH health center in Baltimore where she served as the Director of Community Services. During her time at HCH Baltimore, Katie oversaw the street outreach team, as well as the creation and implementation of the community health workers and mobile clinic. She also was responsible for special projects. These included opening two new access points as well as implementing agency-wide naloxone training and social determinants of health screening.
