

With You Through Life's Journey...

Asian Americans and Pacific Islanders

We are with you from day one, with a Social Security card and benefits for your children.

Did you know that 5 percent of benefits are paid to children of a disabled or deceased parent?

If you legally change your name due to marriage, divorce, or any other reason, let us know so you can get an updated Social Security card — and so we can accurately keep track of your earnings. There is no charge for a Social Security card.

Whether you just started working or finally got your dream job, your employer verifies your Social Security number with us. That way your earnings record is accurate and up to date in case you need benefits. Keep track of your earnings record by creating a *my* Social Security account. www.ssa.gov/myaccount

If disability strikes, we are there with disability benefits for you and your dependents.

Disabled workers and their dependents account for 16 percent of total benefits paid.

If you lose your soul mate, we are there with benefits to help you get through the difficult time.

When most people think of Social Security, they think of retirement benefits — and with good reason. But we are more than retirement benefits; we also offer many online tools to help you plan for your future.

The two Social Security Trust Funds - Old-Age and Survivors Insurance (OASI) and Disability Insurance (DI) will be able to pay all benefits in full and on time until 2035. Even if legislative changes are not made before 2035, we'll still be able to pay 80 percent of each benefit due. Social Security is with you through life's journey, securing today and tomorrow.
